

**RVM Construction Insider**  
Spring 2012  
Expansion of Commercial Construction Division

1200 N. Jefferson St., Unit J - Anaheim, CA 92807 - 714.632.9420

*Welcome to RVM Construction*  
**Announcing the expansion of  
our Commercial Construction  
Division**

RVM Construction is well known in Orange County for over 31 years as one of the most popular and respected residential builders. But did you know that we have a thriving commercial construction division as well? Please visit our new website for all the latest information on how we can help your business increase efficiency and revenue through space planning optimization.

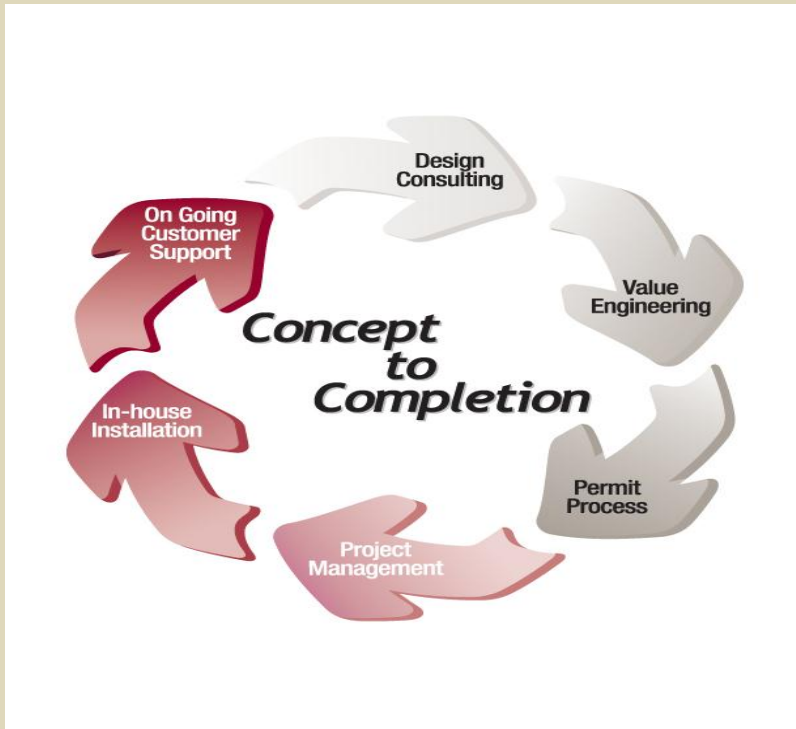

At RVM we have a proven process that allows us to guide you in making the most out of your investment properties by bringing them up to code and up in value.

- Commercial Buildings from new construction to full factory remodel.
- Tenant improvements from simple to major.

**Our Process**

1. Determine your needs: Work flow, space planning, safety, labor management, quality control, and more.
2. Research project: meet with team, map out entire project, building code analysis.
3. Create budget: other considerations such as interior decor and lease negotiations.
4. Financing: timing and availability of funds.
5. Architect hired and plans approved.
6. Construction phase: minimize

- Land development consultation and budgeting.
- Manufacturing build outs for upgrades, expansion, new machinery, whatever your needs.

Visit our website at <http://rvmconstruction.com>

downtime, work with company schedule and keep project on track.

7. Completion phase: Review and finalize checklist, work completed.
