RVM Construction is pleased to announce the start of a new home project in Carlsbad CA! We have owned the land since before 2008 and have been waiting for the right time to get started on the 12 custom homes that are currently planned.

The property is beautiful, fantastic ocean views, with a wonderful location and city for the lucky new owners. We will keep you posted with pictures and updates as the development progresses.

Why consider a new custom home?

The Top 6 Tempting Reasons to buy or build new construction:

- **Warranties:** RVM offers warranties on all our work.
- **Energy Efficiency:** New homes must meet high standards that will save you energy costs.
- **Appreciation:** The first 7-8 years offer the best appreciation and the greatest appeal for resell.
- **Floor Plans:** Get the latest in open floor plans, large kitchens and closets and more!
- **Live Your Dreams:** Have the home you've always dreamed of.
