At RVM, we have one New Year's resolution for 2014 that we take very seriously.

We want to work with you on your construction projects!

We know that you have a choice when recommending contractors to your clients, so we offer these, the top 7 reasons to work with RVM in 2014:

1. We have over 30 years of experience building fine custom homes with old world craftsmanship. Please check out our website for more [information](#), testimonials, and view our gallery.
2. We understand how an Architect wants to work with a builder. We protect your vision, and we don't try to change it.
3. We are consummate professionals with great customer service skills. In every interaction with

your client we will promote you and your work to your best advantage.

4. We know how to work with your design. Our deep experience gives us the knowledge to trouble shoot problems and mitigate them so we can all stay on track.

5. We render fast, professional, estimates.

6. We can control costs, so there are no unpleasant surprises for you or the client.

7. Our proven process: We have the project managers and salaried skilled craftsman needed to deal with the unknowns; we put together a schedule that manages the entire project and consistently get to the finish line on time and on budget.

We would love to work with you, please call today for a complimentary conversation on how RVM can partner with your company for success!
